

LEGACY CHRISTIAN CHURCH - VOCATIONAL SCHOLARSHIP

MESSAGE FROM THE BOARD OF ELDERS

Legacy Christian Church under the direction of the Elders has created the Bible College Scholarship Fund. This scholarship fund is intended for those students who believe God is calling them into full time vocational ministry.

The Board of Elders at Legacy Christian Church want to make you aware of some specific conditions and stipulations regarding the scholarship monies:

- Historically, there is a very high volume of applications and demand for these scholarship funds.
- The scholarship monies are limited.
- A high level of review and discernment goes into each application, and the applicant's stated purpose for requesting the funds.
- If you receive scholarship funds, but choose not to go into vocational ministry, it is highly encouraged that you repay those scholarship funds so other future students will have the opportunity to do so.
- When necessary, prioritization of the awarded scholarships will be followed as outlined in item #10 of the Legacy Scholarship Policy included with your application.
- If further prioritizing is needed, we will consider the date when the fully completed application packet was received by the Legacy Bible Scholarship Team.

Please initial at the bottom of the page to indicate you have read and understand these conditions and stipulations. This agreement must be included when submitting your application. Thank you for pursuing a vocation in full-time ministry to further the Kingdom of God!

LEGACY CHRISTIAN CHURCH VOCATIONAL SCHOLARSHIP POLICY

The Legacy Christian Church Scholarship Fund is one aspect of the church's overall Mission Program. We view these scholarships as an investment in the work of the Kingdom. Specifically, they have been earmarked as an investment in the education of those Christians who believe they have been gifted and called to vocational leadership in the church, and are in the process of preparing for or currently serving in an area of specialized Christian service. We will consider these monies repaid to the Church through service rendered to the Kingdom by the people who receive them. Students, blessed by these scholarships, who do not serve in a vocational Christian ministry are strongly encouraged to pay back to the Scholarship Fund the monies received as soon as possible so as to be a blessing to future Legacy Christian Church college scholarship students.

Consequently, they are expected to maintain the highest level of Christian conduct. Failure to do so will result in the forfeiture of the scholarship. By accepting a Legacy scholarship, students pledge themselves to honor the following minimum standards of Christian conduct:

- When at home, I will remain an active and serving member of Legacy.
- While at school, I will regularly attend a local church that, without reservation, holds to the Bible as the Word of God.
- I will be diligent to pursue my personal spiritual growth through the disciplines of regular prayer, Bible study and accountability to others.
- I will demonstrate a personal work ethic and integrity that honors Christ in my academic life. I understand this includes both my schoolwork and dealings with the school's administration.
- I will seek to honor Christ in all my language and lifestyle. I understand this means abstaining from alcohol, drugs, tobacco, pornography, and maintaining sexual purity.
- In the places I go and the things I do, I promise to never violate my personal conscience and to always be aware of the impact of my actions on others.
- I will flee the appearance of evil and limit my personal freedom for the sake of my witness and the testimony of my school and church.

I have read, understand, and agree to abide by the above Standards of Conduct.
