Details

- **FOOD** – Each group is responsible for planning and hosting its own individual tailgate party. This includes everything: food, utensils, grills, tables, chairs, canopies, trash bags, power supply, etc. *Please note: This is an alcohol-free event.* Groups are encouraged to bring a grill and cook for their group. Going the easy route with sandwiches or a bucket of chicken is another option if you don't have a grill master in your group. Please provide a little extra food and maybe a few extra lawn chairs for any guests who join you.
- **SPACE** – We will assign each group a certain number of parking spots. The event will be located in the north parking lot. Groups will be assigned to allow for some multi-generational relationship development. We will provide an assignment map in advance, showing numbered, assigned spaces that will be marked that day.
- **KITCHEN & REST ROOMS** – The building will be open downstairs for kitchen & restroom access. All other rooms will be closed and unavailable.
- **VEHICLE ACCESS & PARKING** – The tailgate area will be roped and coned off during the actual tailgate. Many will need vehicle access for dropping off grills, canopies, etc. You can leave a vehicle there if desired, but for safety reasons vehicles will not be allowed to move in that area between 5:45 and 8:30 pm. Parking will be available in other areas of the lot.
- **ACTIVITIES** – No church-wide organized activities will be provided. We encourage groups to have a relaxed time building relationships. We will not be showing the game on the big screen.
