PURPOSE:

The Student Aid Program is for the youth of Legacy Christian Church (LCC) who are in need of assistance with funds to participate in student ministry programs. These funds are made available through the Student Ministry budget and available upon request and approval of recipient. Funds are designed to help aid those students who are enduring family, financial hardship and who otherwise would be unable to attend said program without assistance.

GENERAL PROVISIONS:

1. Money provided by LCC's general offering budget will typically not exceed 50% of the total amount for high school camps, middle school camps, weekend retreats or mission trips.
2. Request form should be filled out completely and submitted 14 days before money is due for the activity, or by the designated payment date.
3. Request must be made by recipient, parent/guardian or student minister/sponsor.
4. We do not request money to be repaid, but money repaid will be used for future Student Aid assistance.
5. Student Aid is intended to only help. There is a limited amount of funds available.
6. Student Aid recipients are required to participate in any fundraising event that is held to benefit the trip to which they received student aid money, unless an exemption is agreed upon.
7. Student Aid recipients should be willing to volunteer service hours at LCC as needed.
